

What's Next for MeasureSquare Commercial Webinar Recording

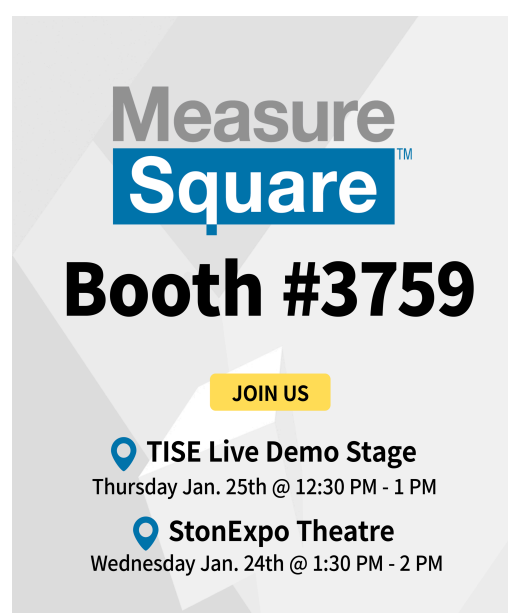

Measure Square started the year strong with a very exciting webinar about **What's Coming to MeasureSquare Commercial 8**.

This hour-long webinar goes into great detail about the upcoming features that will hit the software in 2024. Including Auto Takeoff Function, OCR Text & Image Recognition, and more!

Did you miss the webinar? Well, no worries. Catch the exciting news here by clicking the link below to watch the webinar. Don't hesitate to contact us directly if you have any questions about the new features coming out this year.

MeasureSquare Hosts 2 Presentations During Surfaces

Measure Square will be at booth 3759 on the TISE show floor, and two excellent presentations are happening, too!

"How to grow your business with MeasureSquare CRM."

Wednesday, Jan. 24th at, 1:30 PM to 2 PM
StonExpo Theatre

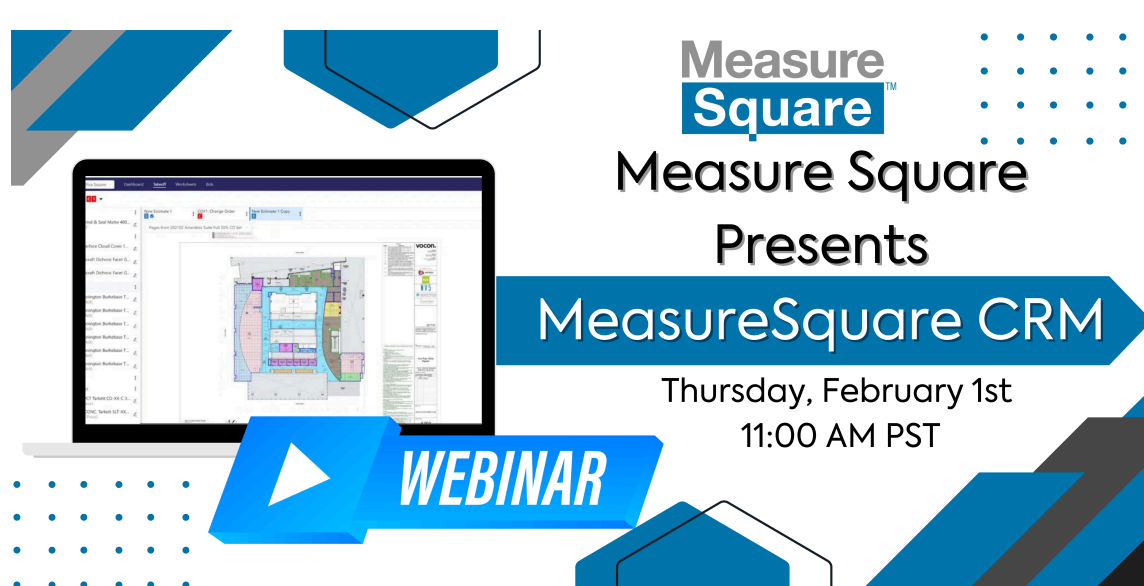

"Sell competitively with MeasureSquare."

Thursday, Jan. 25th at, 12:30 PM to 1 PM
TISE Live Demo Stage

These discussions cover our approach to helping you build a more streamlined business with the assistance and support of our software. If you are looking to incorporate Measure Square into your daily business practices and win more opportunities faster and more accurately then, you want to attend these presentations if you're attending Surfaces this year.

Measure Square Attends Domotex in Hannover!

Measure Square took the opportunity to attend **Domotex 2024 in Hannover, Germany**, early this month. The team sat with various businesses in the flooring space from overall all over the world.

This was the perfect environment for us to test the waters of this market. We did demos of our software and engaged in new conversations with potential partners. We are planning an entire blog about the incredible experience.
