

Death to Double Entry Webinar Playback Now Available

The **"Death to Double Entry" webinar** is now available as a video on the Measure Square YouTube channel. This webinar delves into how Measure Square CRM can eliminate redundant data entry in business processes.

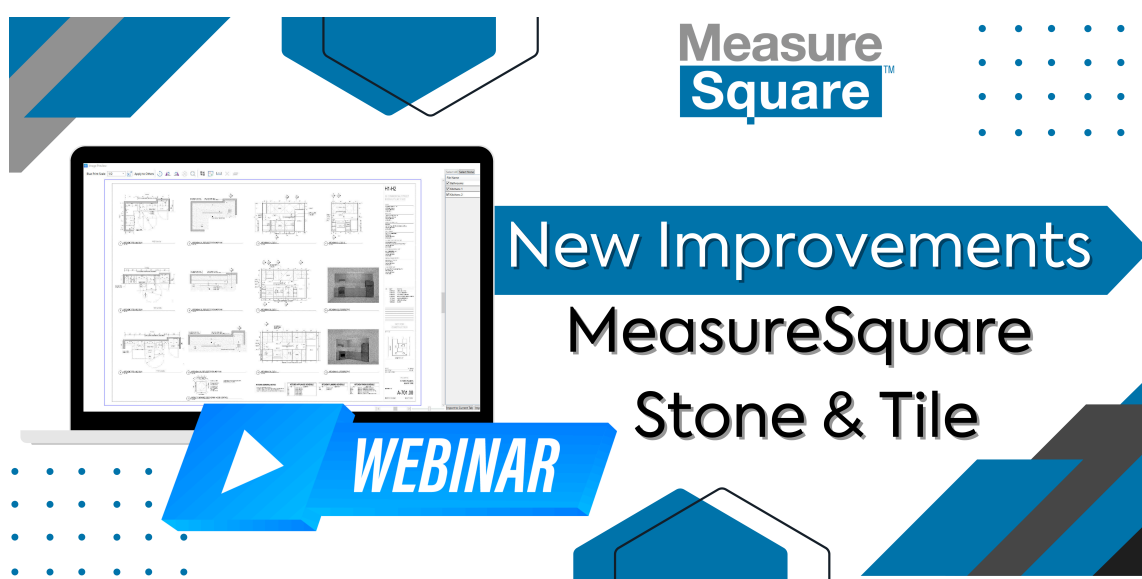

The 30-minute playback shows you how to use MeasureSquare CRM from beginning to end. Brian and James go over;

- Managing your sales, pricing, purchasing, and scheduling in one.
- Best way to manage your estimating, sales, purchasing, scheduling, and more, from a single user-friendly interface.
- How to track a project from Invite to Bid (ITB), to production, and all the way through to billing and accounting.

With this **full walk-through of the MeasureSquare CRM** you will turn into a CRM expert. Watch the full playback now whether you are a seasoned user or just interested in seeing the scale of power the CRM has to offer.

Register for MeasureSquare Stone & Tile New Updates Webinar

Big news from MeasureSquare Stone & Tile has just arrived! Join us **Wednesday July 30th at 11AM** for an in-depth look at MeasureSquare Stone & Tile's latest updates. This webinar will explore how these enhancements can revolutionize your estimation and takeoff process. In this webinar, we will dive into updates regarding;

- **Takeoffs:** Discover how improved drawing features simplify the creation of complex areas, making your takeoffs more accurate and efficient.
- **Worksheets:** Learn how the latest updates automate worksheet creation, customization, and integration with other Stone software.
- **Slab Optimizer:** See how automated slab nesting and flexible layout creation from any part of your takeoffs can optimize your slab usage and save you time.

Take advantage of this opportunity to see MeasureSquare Stone & Tile in action and learn how these improvements will make completing your project faster, easier, and more accurate.
