Webinar: What's New in CRM

Join Kevin Lim, MeasureSquare CRM Customer Success Specialist, in an inside look at the latest MeasureSquare CRM updates and how they can help you simplify workflows, boost visibility, and save time.

MeasureSquare CRM: Discover What's New

Wednesday, 6/25

11AM PST / 2PM EST

Submittals

- ✓ Create, send, and track submittals from the Project view
- ✓ Build submittals directly from product documents, including electronic files and physical samples

Project Summary

Gain instant clarity on your project's financials—all in one place.

- ✓ View total income, total cost, profit, markup, and margin
- ✓ Export project-specific reports with clear breakdowns of income, materials, and labor

M2 Stone Integration

- ✓ Create and edit Stone projects
- ✓ New web-based Stone takeoff software (M2 Stone Web)

We'll also cover additional topics including AI solutions in CRM, Analytics, CRM Mobile App, Inventory, and Future Updates. Plus, improvements across the Projects, Quotes, and Bids modules. Don't miss this opportunity to learn how to unlock even more value from MeasureSquare CRM.
