MeasureSquare CRM Work Smarter: Change Orders and SOVs Webinar

Ready to learn about two of our most attractive features? Measure Square is hosting a new webinar focused on two great features in our new CRM! Join us **on Wednesday, May 29th at 11 AM** to learn what Change Orders and SOVs can do to reshape your business procedures.

- **Change Orders** can be time-consuming, but learn how simplistic and easy they are to create with MeasureSquare CRM.
- **Schedule of Values (SOV)** can be challenging for even the most common projects, but learn how MeasureSquare CRM generates them with minimal user input.

You will want to take advantage of this insightful webinar, discussing these key features and all its potential!

Measure Square has a Good Ol' Time with Rockheads Group in Nashville

This month, Measure Square was able to attend the Rockheads Group Spring Event in Nashville, TN, and boy, we had a great time; especially since it was our first time attending. It was a great opportunity for us to meet with Fabricators, both prospects and current customers, as well as other vendors in the Rockheads Group.

Our team had the opportunity to form and foster relationships with members from companies like Capitol Granite, Marjan Stone, AAA Countertops, and more. We were also able to find unique avenues of collaboration with potential integration partners.

This event helped us see firsthand the needs of those in the Stone and Tile industry and how MeasureSquare Stone & Tile can be their solution.
