

## Recap of the Harrogate Show in the UK

We had a great time at the Harrogate Floor show in the UK. We worked with our **UK and New Zealand MeasureSquare** teams to produce another fantastic show. We had many great meetings and shared our array of products with the **best companies in Europe**. Check out the images below to get a taste of our time at Harrogate.

HARROGATE FLOOR SHOW

## Measure Square now integrates with StoneApp

Measure Square proudly announces that **MeasureSquare Stone & Tile integrates with Stoneapp**. This new integration partnership helps customers with commercial projects get even more out of Stoneapp. MeasureSquare is excited to be working on the collaboration to provide faster and more accurate measurements for Stoneapp users. More details on this **powerful integration** are coming, but we look forward to working with Stoneapp users to offer the best software capabilities.

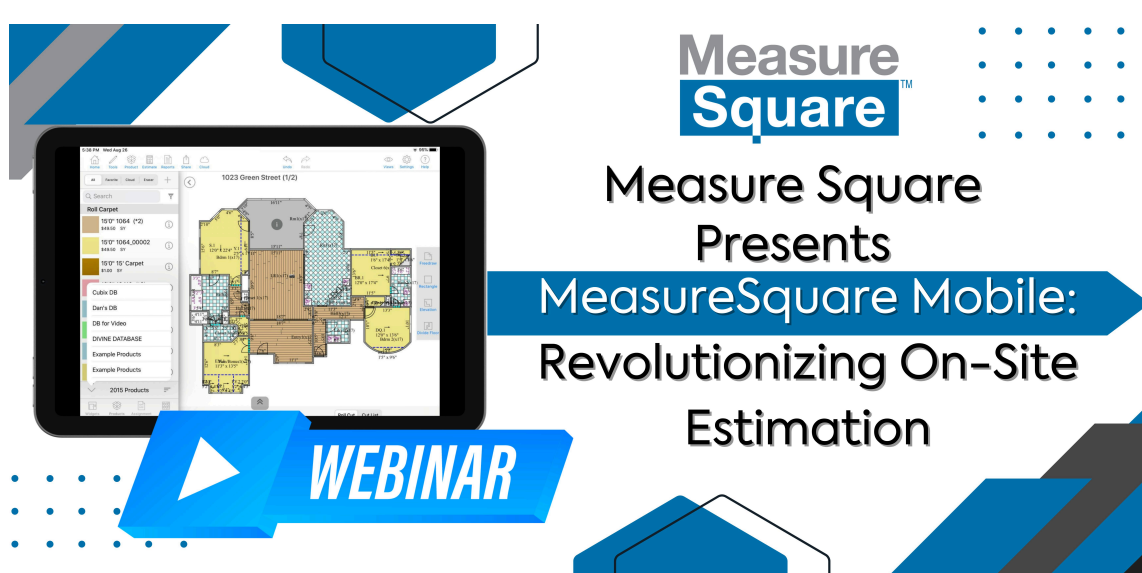

For now, please read over our press release with Stoneapp below.

## Let's Get You Started - MeasureSquare Mobile Webinar

# Playback

## Measure Square Presents MeasureSquare Mobile: Revolutionizing On-Site Estimation

First-time users of MeasureSquare got a special treat last month as we rolled out an exclusive webinar focusing on using MeasureSquare Mobile. The webinar **Revolutionizing On-Site Estimation** will give brand-new software users an in-depth look at how to maximize the capabilities of our bestselling solution. Get your laser and iPad ready as Ryan Hiroto and Austin Cormany, our speakers, dive into the basics of using MeasureSquare Mobile.

In this video playback, they show you how to **enhance accuracy, boost efficiency, and access comprehensive tools**, all in real time. Get ready to see how you can effectively use your copy of MeasureSquare Mobile today. Click the button below to start watch the video on our YouTube channel.

## Recruiting New Members to the Facebook User Group

It's time to join our **Measure Square Facebook Group User Group**. Our community has been growing over the years, and we want to ensure you are getting all the benefits. Joining the MeasureSquare Facebook User Group offers a range of benefits for both novice and experienced software users. It's a vibrant community where members can share tips, best practices, and solutions to common challenges, helping you maximize the software's potential.

Many discussion topics cover new features, troubleshooting, and creative ways to streamline workflows, making it easier to stay updated and efficient. You'll also have direct access to other MeasureSquare power users who frequently provide valuable insights and guidance.

Our Facebook group **fosters collaboration and networking**, contributing to your overall experience with the software and connecting you with a broader flooring and estimating industry community. It's all around a great time, so don't wait. Join the MeasureSquare Facebook Group today!
