## Use Auto Takeoff 2.0 to takeoff floor plans instantly

We've leveled up AI Auto Takeoff with version 2.0. These updates boost room capture, accuracy, and let you scan up to 5 pages at once. Spend less time on takeoffs and more on what counts. Update to Build 10485 today!

### More accurate room capture

Auto Takeoff 2.0 now captures twice as many rooms on clear floor plans. Speed up your takeoffs with auto-detection of doors and room names.

### Scan multiple pages at once

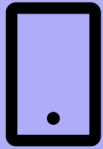

Scan up to 5 pages at once using the updated Auto Takeoff 2.0. Let AI be your assistant so you can focus on what matters.

### Check out AI in MeasureSquare CRM

MeasureSquare CRM and MeasureSquare 8 integrate seamlessly to manage and track your whole project from ITB to completion. Give it a try today!
